

COVID Protocols

The health and safety of the Club's members and employees are our number one priority. The most up to date COVID-19 related safety protocols, including the Governor's travel advisory, all of which we are following, can be found [here](#). **Updated this week:** The following guests are now permitted everywhere (tennis, pool, marina, dining) at Beach Point on both weekdays and weekends: member's adult children over the age of 25 who are not members, parents, grandparents and grandchildren, as well as significant others of (i) all of the foregoing, (ii) members and (iii) member's children under the age of 25. Guests are subject to the Beach Point rules, which provide that guests are limited to two visits a month, only one of which may be a weekend, and an unlimited number of Mondays. As a reminder, there are no frequency restrictions on guest dining for permitted guests.
