

COVID Protocols

The health and safety of the Club's members and staff remains our number one priority. The most up to date COVID-19 related safety protocols, including the Governor's travel advisory, can be found [here](#).

Community Minded

Please help maintain goodwill in the neighborhood by observing and obeying the traffic laws on Rushmore Avenue. Kindly come to a complete stop at all stop signs and maintain appropriate speed as the neighborhood has many children and active outdoor sports enthusiasts.
